

FOR IMMEDIATE RELEASE

Scenic Bluffs Community Health Centers to celebrate
National Health Center Week August 9th - 15th, 2015

DATE: August 4, 2015

Scenic Bluffs Community Health Center is marking National Health Center Week 2015 (NHCW) with 3 community events as part of a weeklong campaign (August 9-15) to raise awareness about the mission and accomplishments of America's Health Centers the largest and most successful system of primary healthcare.

- **Tuesday, August 11th 11:00am-1:30pm Open House at Lugar de Reunión**
201 E. Franklin Street, Sparta, WI

Lugar de Reunión ("A Place to Gather") is an area Latino Resource Center operated by Scenic Bluffs Community Health Centers in partnership with the Sparta Area School District. Lugar de Reunión offers several services to Latino families in the area, including ESL classes, literacy classes, as well as immigration and counseling services.

- **Wednesday, August 12th 10:00am-2:00pm Farmer's Market w/ UHC**
238 Front Street, Cashton, WI

Scenic Bluffs in cooperation with United Health Care will be hosting a Farmer's Market and Mini-Wellness Fair at the Cashton Health Center. Find fresh, organic produce from local farmers and stock up for healthy eating! Get great tips and recipes from Monroe County UW-Extension's Family Living Agent, get an update on our Cashton construction, and learn more about the services Scenic Bluffs Community Health Centers have to offer.

- **Friday, August 14th 11:00am-1:30pm Open House; Scenic Bluffs-Norwalk**
200 W. North Street, Norwalk, WI

Scenic Bluffs Community Health Center in Norwalk opened in 1999 to provide an additional convenient location for individuals in Monroe and Vernon counties to receive medical and chiropractic services. Visit our Norwalk location to learn more about Scenic Bluffs programs and services available to the community.

Established in 1994, Scenic Bluffs Community Health Center provides a range of services onsite – primary medical services, pharmacy, dentistry, chiropractic, mental health services, and Health Education. Last year, Scenic Bluffs provided care for over 7,500 individuals in Monroe, La Crosse, Vernon and Crawford counties. Health Centers like Scenic Bluffs are increasingly becoming the trusted provider of choice for many families, whether they are insured or not. Offering a sliding fee scale, such as Scenic Bluffs' Healthy Neighbor Plan, Health Centers allow for a more manageable payment schedule for a patient's out-of-pocket costs as well. Evidence shows patients choose health centers because they are convenient, affordable, and offer a range of services from a team of caring professionals. Studies also show the quality of care at a health center is often better than private practices. Patients not only get the quality of care they need under one roof, but they are treated as individuals, with compassion, dignity and respect. This is what health care should be, and what we celebrate during National Health Center Week.
